Angie Frassel Wins State WOT Women Who Impact Award

A goal of the Minnesota Women of Today is to recognize women throughout the community for their community service efforts and for that reason, the Women Who Impact Award was implemented. This award is given annually by the Minnesota Women of Today at the Winter State Convention Saturday evening awards banquet. Our chapter was notified on January 5 that Angie Frassel is this year's recipient of the award in the Non-Profit category. The purpose of this award is to recognize women who show excellence in leadership abilities, are involved in their local communities, and possess the ability to initiate ideas and innovations for new and existing projects and programs.

All Maple Grove Women of Today members are invited to attend, free of charge, the reception honoring Angie.

Angie and her family will be recognized at the banquet on Saturday evening at the State Women of Today Winter State Convention, January 30, at the Doubletree Park Place Hotel in St. Louis Park, 1500 Park Place Blvd. A reception will be held before the banquet from 6:15 – 6:45 p.m. and as the nominating chapter, all Maple Grove Women of Today members are welcome to attend the reception. The banquet begins at 7 p.m., at a cost of \$37.

About Us

The Maple Grove Women of Today is part of [District 11](#), the [Minnesota Women of Today](#), and the [United States Women of Today](#). We hope you enjoy learning more about our organization through our Web site. We meet the third Monday of every month (except December) at the Maple Grove Community Center.

The Maple Grove Women of Today is a dynamic and diverse women's organization interested in the betterment of our community. We are not politically or religiously affiliated. We are women from various backgrounds, communities, and life experiences. We are working women, homemakers, mothers, grandmothers, married and single women. We are women who want to make our communities a better place for all to live. We volunteer our time, raise funds for charities, and provide informational seminars that are open to the public. Our members choose the projects they want to participate in, given their interest and time availability. Members can be as involved as they want to be. Most group events take place in the evenings or on weekends. We are also interested in bettering ourselves and having fun. We have speakers attend our meetings, challenge ourselves to improve our communication skills, gather to develop new talents and plan social events. The wide range of opportunities that Women of Today offers is one of the elements that make it unique. There is something for every woman and new ideas are always welcome.

We welcome you to attend a meeting and join our organization.
